Accessibility Statement for Zotavovna VS ČR Praha

This is the accessibility statement for **Zotavovna VS ČR Praha**.

Measures to Support Accessibility

Zotavovna VS ČR Praha takes the following measures to ensure the accessibility of its website:

- Applies formal accessibility quality assurance methods
- Works to remove key barriers for users with disabilities
- Regularly reviews core content for compliance with accessibility standards

---

Conformance Status

The **Web Content Accessibility Guidelines (WCAG)** define requirements for designers and developers to improve accessibility for people with disabilities. These guidelines specify three levels of conformance: Level A, Level AA, and Level AAA.

Zotavovna VS ČR Praha is fully conformant with WCAG 2.1 Level A.
"Fully conformant" means that the content fully meets the accessibility standard without any exceptions.

Additional Accessibility Information

The website **zotavovnapraha.com** has been developed in compliance with **WCAG 2.1 Level A** accessibility standards.

This level of accessibility ensures basic access to the content for people with disabilities – for example, the ability to navigate the site using a keyboard, use screen readers, understand the page structure, and access alternative text for images.

Level A represents the **basic and functional minimum**, which:

- ensures access to key content and website functions,
- removes the most critical accessibility barriers,
- covers the essential needs of users with visual or motor impairments.

We are committed to continuous improvement. If you encounter any difficulties accessing the content, we would appreciate your feedback.
